CONSUL GENERAL OF INDIA  
TORONTO

18 September 2009

**MESSAGE**

I am delighted to know that the Indian Medical Tourism Destination (IMTD) 2009 – Healthcare without Borders - will be held at the Metro Toronto Convention Centre in Toronto from November 20 - 22, 2009.

It is heartening to note that this conference is expected to showcase the advancements that India has made in the healthcare sector. This shall provide a platform for practitioners of healthcare to discuss the exciting business opportunities that could be explored between India and Canada from technological exchanges to sharing of healthcare research and innovation. It will also provide a window in the medical tourism sector for Canadians looking for affordable, quality and world class alternatives in healthcare services in leading Indian hospitals.

I congratulate the organizers for taking the lead and initiative on this sunshine sector and wish them all success for the conference.
